

The Nielsen Environmental E-School Group Discount Program Enrollment Form

A. Fundamental Requirements for the Group Discount Program

This form must be completed to create a group discount account with the Nielsen Environmental E-School. This will facilitate registration of individuals who are part of a group of 5 or more people from a single entity (private company, government agency or other organization) that is seeking to use the on-line training services provided by The Nielsen Environmental E-School. **Groups with fewer than 5 people do not qualify for the discount offered by this group program.** Individuals from different companies or organizations cannot form a single group to participate in this group program.

B. Group Account Point of Contact Information

Please provide all requested contact information for the key contact person for this group:

Group Contact Person: _____

Title: _____

Group/Company/Agency Name: _____

Complete Mailing Address: _____

(Be sure that your e-mail system will accept e-mail correspondence from Nielsen Environmental Field School and Nielsen Environmental E-School: info@envirofieldschool.com or envirofieldschool@yahoo.com)

C. Select the Type of E-School Training You Want

You may register the individuals in your group to take either individual modules or E-Courses. You cannot combine modules and E-Courses under one discount account for the group but a group can have one account for module-based training and a second account for E-Course-based training for its staff.

- E-School Individual Modules (45 to 90 minutes each)
- E-School E-Courses (packages of from 12 to 30 modules each)
 - E-Courses for the purpose of individuals applying for certification
 - E-Courses without the certification option

(Select one option or the other for E-Courses with or without certification; they cannot be combined)

D. Tell Us Who is Authorized to Participate in E-School Training as Part of Your Group

Please provide the names and contact information for the individuals you are registering for your group. Please let us know if any of these individuals are at a location different from that listed in section B of this form, and provide their complete contact information. A minimum of 5 individuals must be registered.

If necessary, please use additional pages to register more than 5 of your staff for this program.

Each of these individuals will be provided with a unique code that they can use when they register for either an individual module or an E-Course (per Section C of this form), and instructions on how to use the code to sign up for the training they wish to take. Each time a code from your group is used, the module or E-Course will be deducted from the account's pre-paid total. After all pre-paid modules or E-Courses have been used, any individual listed in this group account will be able to use their code to register for additional training sessions and, by using that code, will earn a 20% discount on future modules or E-Courses on the registration check out page. Codes cannot be transferred to other members of the company, agency or organization. Completion certificates and CEUs will only be issued in the registrant's name, according to their unique code.

E. Initial Payment to Create the Account

To create a group account with the Nielsen Environmental E-School, pre-payment of the first group of modules or E-Courses (option depends on how section C was answered) for your group is required.

All modules are a fixed price of \$195.00* US each. Prices for E-Courses vary with the specific E-Course.

E.1. Calculate the Amount Due

Option 1: Modules Only Total Due
 Number of people listed in Section D of this form (5 minimum) x \$195.00* = _____

Group members are free to select which modules they would like to take unless you have a specific requirement. If so, please indicate which module(s) are required for your group:

Option 2: E-Courses

Phase 1 E-Courses:

	<u>Option A**</u>	<u>Option B***</u>
The Complete Ground-Water Monitoring E-Course (29 Modules)	\$2475.00*	\$2775.00*
The Ground-Water Monitoring Well Design, Construction and Development E-Course (14 Modules)	\$1595.00*	\$1795.00*
The Complete Ground-Water Sampling E-Course (15 Modules)	\$1595.00*	\$1795.00*
The Low-Flow and No-Purge Sampling E-Course (13 Modules)	\$1295.00*	N/A

Phase 2 E-Courses:

The Soil Sampling for VOCs E-Course (available June 30)	\$1295.00*	N/A

Notes:

All prices are in US dollars.

* For all registrations for persons from New Mexico or using a credit card with a NM billing address, we must add 8.0% NM Gross Receipts Tax to registration fees. This will be done automatically at check out.

**Option A is for those who wish to take an E-Course without applying for certification.

***Option B is for those who wish to take an E-Course and then apply for certification. Price includes a study guide and exam fees.

N/A = certification option not available for this course.

<u>Course Name</u>	<u>Unit Cost</u>	<u>Number of Participants</u>	<u>Total Due+</u>
<i>For Example:</i> <i>Low-Flow/No Purge</i>	\$1295.00	5	\$6475.00
_____	_____	_____	_____
_____	_____	_____	_____

+ Your 20% discount will be applied when the initial transaction is processed to your credit card. If paying by check, an invoice will be generated showing all discounts applied. Pre-payment is required before access codes are assigned to your staff.
